NAPE 2021 AWARDS

NOMINATION GUIDELINES FOR THE ARET ADAMS AWARD

The Award, named in honour of the Late Chief Aretanekhai (Aret) Godwin Adams and his commitment to excellence, is the highest award bestowed by NAPE. It is given to deserving Earth Scientists of any nationality, in recognition of distinguished and outstanding contributions to, or achievements in the sciences and practice of petroleum exploration and exploitation for a continuous period of 25 years or more.

This Award may not be made more than once in any calendar year.

Unless otherwise made impossible by force majeure reasons including but not limited to accidents, hospitalisation, death, etc., a candidate must be personally available to receive the award at the time and place designated by the Executive Committee of NAPE, which would normally be at the NAPE Annual Conference and Exhibition.

Emphasis will be given to candidate's contributions to petroleum exploration and exploitation in Nigeria – not necessarily service to NAPE. Such contributions may include but not limited to, pioneering activity in the oil and gas industry, significant development in geologic concepts, advancement in discovery thinking, leadership in exploration and the development of Explorationists, inspiration and academic preparation of petroleum geologists, etc. Publication is an added advantage, but not a compulsory criterion, as it may not be feasible for everyone in the performance of their responsibilities.

Nomination for the Aret Adams Award:

- A nominee must be an active member of the Association, duly nominated by a minimum of five (5) active and financial members. Anyone previously nominated, but not awarded, may be re-nominated. Nominations must be accompanied by a brief resume stating the nominee's contributions to the sciences and practice of petroleum exploration and exploitation in Nigeria.
- Active participation in the activities of the Association.
- He/she has distinguished himself/herself professionally.
- He/she has held active membership of the Association continuously for at least 25 years. Such a member must not have been disciplined under Article XI.
- He/she has tangible, measurable contribution to industry, national economy, knowledge, academia, exemplary professional practice, international scholarship, civic duties among others.
- Nominations may be accompanied by key scientific publications, or other supporting documentation to underscore the candidate's eligibility.

NAPE Executive Committee, Distinguished Award Committee, and Advisory Council members are excluded from nomination and endorsement of candidates. Nominations for this award should be submitted, along with documentation, to the Distinguished Awards Committee Chairman, Mr. Johnbosco Uche, at: vice-president@nape.org.ng and Johnbosco.Uche@Shell.com by the deadline of **June 30th, 2021**. Nominations received after this date shall be deemed invalid. Upon receipt, applications become the property of NAPE and will not be returned to applicants.

Johnbosco Uche

NAPE Vice President & Chairman Distinguished Awards Committee
